PROFILE

Dr. Kristanto is a dedicated Cardiology specialist practicing in the private healthcare sector in Singapore. With a strong focus on precision and patient care, he is trained and sub-specialized in Interventional Cardiology and Cardiac rehabilitation.

ACCREDITATIONS

Mount Elizabeth Orchard
Mount Elizabeth Novena
Gleneagles Hospital
Parkway East Hospital
Mount Alvernia Hospital
Farrer Park Hospital

EDUCATION AND TRAINING:

Dr. Kristanto's journey in medicine began at the prestigious National University of Singapore (NUS), where he laid the foundation for his career. He further honed his skills during his junior and senior residencies at the National University Hospital, gaining invaluable clinical experience.

Dr. Kristanto is proud to have been recognized with the MOH HMDP (Ministry of Health Healthcare Manpower Development Program) award, which provided him with the opportunity to train under the mentorship of the world-renowned Dr. Sidney Lo at Liverpool and Campbelltown Hospital in New South Wales.

PRACTICE LOCATIONS

Alliance Heart Centre

Mount Elizabeth Orchard
Singapore (#15-14)

The Cardiac Centre

Farrer Park Hospital
(#07-17)

AREAS OF EXPERTISE:

Dr. Kristanto's areas of expertise include Complex Coronary angioplasty, where he utilizes the latest techniques such as FFR, IMR, and CFR to ensure precise assessments. He also employs intracoronary imaging tools like IVUS and OCT to maintain the highest standards of care. Additionally, he specializes in managing complex coronary interventions for calcified vessels, employing innovative methods such as intravascular lithotripsy and coronary atherectomy, and performing challenging bifurcation and CTO (Chronic Total Occlusion) interventions.

VISITING CONSULTANT:

In addition to his private practice, Dr. Kristanto serves as a visiting consultant to the National University Health Systems, with affiliations at both the National University Hospital and Ng Teng Fong General Hospital.
